Saturday – Sunday	8:00 am to 12:00 noon

BREEDING TIMES:

9:00 am
2:00 pm
6:00 pm

- A Breeding Shed Form must be completed and accompany **every mare** for each trip she visits a stallion.
- A Mare Information Form has been sent and **MUST** be on file with the office before **any mare** will be booked.
- **All mares** must be identified with name on either halter or neckstrap.
- **All mares** returning to the breeding shed for a **third cover** and all subsequent covers (exclusive of doubles) will require a negative uterine **culture** taken since the second cover.
- **ALL MARES visiting our breeding shed must BE VACCINATED 7-90 DAYS BEFORE BREEDING for equine herpes virus Type I (Rhinomune, Pneumabort-K, etc.) This information should be recorded on the breeding shed form or provided on a culture certificate.**
- **All maiden mares** must be jumped before coming to the breeding shed for the first time.
- **All maiden, barren and mares not bred in 2026** must have a negative aerobic (regular) uterine culture taken within 30 days prior to their initial cover.

CEM and EVA Requirements: We will follow the recommendations of the USDA and Kentucky Department of Agriculture with regard to CEM and EVA.
