WIND/SCOPING AT TATTERSALLS FEBRUARY SALE 2026

We are delighted to offer the following service.

All Juddmonte horses will be video endoscoped, on the sale grounds, by Duncan Moir MRCVS of Baker McVeigh. Each individual scope will be posted in the Tattersalls Repository and will be available to be viewed on the Tattersalls website until the time of sale. There will be no comments, and it will therefore be up to your veterinary surgeon to make the appropriate judgements on your behalf.

No other scoping will be permitted.

We will make any announcements of surgery or whistling in the normal way. This will not affect your ability to wind test post sale, under the conditions of sale.

We hope you will find this a useful service.
